**RE: Heafey Bentley Management, LLC et al. vs. Heinz Dinter et al., Case No. 07-11842 CA 20**

Dear Judge Sigler:

I understand Your Honor has replaced The Honorable Ronald Dresnick who retired on January 8, 2015.

I was served with a motion and Notice of Hearing for a hearing to be held before The Honorable Ronald Dresnick on April 14, 2015 at 11:00 am. I sent an email on April 9 to Mr. Jorge Garcia-Menocal, the plaintiffs' attorney. Advising him of my inability to attend the hearing, to wit:

**Subject:** April 14 Hearing

Good morning, Mr. Garcia.

Please be advised I am unable to attend the hearing set by you for April 14, 2015 before The Honorable Ronald Dresnick because of my post-operative commitment following my eye surgery on April 2.

I have received no response from Mr. Garcia-Menocal.

The motion, filed and served on March 30, 2015, is identical in substance to the plaintiffs' motion denied on December 2, 2013. The appeal was dismissed by the Third District Court of Appeal on July 10, 2014.

Furthermore, the following day, on April 10, I was informed by my neurologist's office to report on April 14 at 9:00 am for tests necessitated by the stroke I suffered in June/July of last year.

My eyesight is gradually improving and I hope for a positive assessment when I return to the eye surgeon on April 24 for the second follow-up to my surgery.

Please, Your Honor, cancel tomorrow's hearing.

I do, however, need to ask Your Honor to grant me permission to attend hearings via telephone because I am not mobile occasioned by my health-related challenges, including my recent

quadruple open heart bypass surgery which also dictated my retirement from the tennis court.

Thank you for your understanding.

Sincerely yours,

Heinz Dinter, PhD

PS. I am appalled by Mr. Garcia-Menocal's unprofessional conduct in violation of The Florida Bar's Code of Ethical Conduct and the Oath of Admission Mr. Garcia Menocal swore upon being granted membership in The Florida Bar. I shall file the appropriate complaint with The Bar.
